Blue Lagoon

Taking you to mainland Greece we sail along the Ionian Sea first stopping at the sea caves of Papanikolis then on to the bay of Piscine where the film "Blue Lagoon" was filmed.

Join in the champagne dive or simply enjoy a swim in the alluring exotic waters. Snorkels provided for those that wish to explore what lies beneath.

A buffet lunch and a glass of wine for adults- soft drink for children will be served on board the boat. After lunch there will be a 40 minute stop at the village of Sivota. A quaint picturesque fishing village with many shops to explore.
