

Paxos - Antipaxos & Blue Caves

Cruise down the south of Corfu along the West coast of Paxos with its impressive rocky coastline and stunning scenery. Enter the mind blowing caves - you won't believe your eyes!!!

On route to the small but perfectly formed Antipaxos, time is allocated to enjoy a swim in the most turquoise waters you have ever seen.

Again returning to Paxos, we moor at Gaios giving you time to venture around the local town, swim, sunbathe and enjoy lunch at one of the many tavernas. Go on, spoil yourself - you're on holiday!
